## LISTENING DESCRIPTION -- 485

In face-to face communications, a person at this level should be able to understand...

- the essentials of all speech;
- most professionally related topics;
- technical subjects;
- general topics and areas of special interest.

In addition, a person at this level should also be able to understand with facility...

- the essentials of conversation between native speakers;
- messages communicated through broadcast media; and
- public addresses.

## READING DESCRIPTION -- 375

A person at this level should be able to read...

- straightforward, familiar, factual material;
- locate and understand the main ideas and details of general reader material;
- uncomplicated prose on familiar subjects presented in a predictable sequence;
- descriptions of frequently occurring events;
- standard business letters;
- simple technical material, such as operating instructions.

When reading material of special interest a person at this level should be able to...

- summarize the material;
- perform sorting and locating tasks within written texts beyond their general level

A reader at this level uses a standard vocabulary, but should also be able to use context and real-world cues to understand the text.
